### Energetic. Engaging. Transparent. Evoking. Interactive.

That's Janelle's style when conveying her message. Her down-to-earth approach, fused with wit and wisdom, resonates with career changers, budding professionals, youth and young adults, and those desiring to take a quantum leap in their lives.

Janelle Rollins-Johnson is the Founder of Vision Enterprise, a life enrichment consulting firm. Believing in everyone's ability to transcend adversity to overcome life's inevitable challenges, Janelle provides practical strategies to help to ignite the fuel that resides within.

Janelle candidly shares both her struggles and successes, and is on the rise to helping transform countless lives, moving them into their next level of greatness.

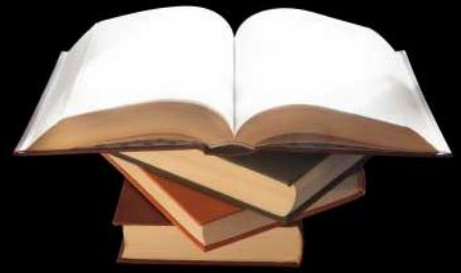

#### Speaking Topics include:

- Transcending to Greatness! How to Rise Above Every Culprit to Achieve Total Success.
- Super Self! How to Become the Best Vision of Yourself.
- The Driver's Seat: How to Take Control of Your Life.

## About Janelle Rollins-Johnson...

Janelle is driven by her desire to help each individual who is committed to professional development and personal achievement to leave with a renewed mindset and a fearless drive. Janelle is also a writer/editor, and draws from her 20 years of experience in leadership administration in Corporate America as well as providing career advancement coaching. Believing that transformation begins in the mind, Janelle's sessions are informative, entertaining, results-oriented, and guaranteed to give the audience timeless principles and strategies to immediately implement.

## Coming Soon...

**Janelle's conviction and passion will catapult your audience to  
TAKE ACTION!**

Encouragement is given and sometimes it's received from those whose lives are enriched and transformed. And many times it's best described in a single word!

## Words used to describe Janelle...

Truthful... Passionate... Determined...

Caring... Humorous... Selfless... Generous...

Detailed... Analytical... Organized...

Dedicated... Authentic... Loving...

*"The content met my expectations. The delivery was great and the students related very well. Janelle was comfortable with the students and played off their responses. She made connections with things that mattered to them."*
